THE ORANGE AND ALEXANDRIA RAILROAD .-To-morrow is the day fixed for the annual meeting of the Stockholders of the Orange and Alexandria Railroad, but as it has been set apart as a day of Thanksgiving, it is probable that after a temporary organization, at the office of the company, at 10 o'clock in the morning, an adjournment will take place until Friday morning. A very large attendance of Stockholders is expected.

A DONATION OF WOOD FOR THE POOR .-Mayor Latham, whose indefatigable exertions in behalf of the poor deserve commendation, was this morning gratified by receiving from Col. Lee the announcement that one of his measures of relief had met with a favorable consideration, and that an order had been issued by the Secretary of War of the United States placing at his disposal, for the benefit of the poor, one hundred cords of the government wood, now piled at the wood yard, near Colross. This gift will be most acceptable, and must prove of great assistance, as the financial condition of the Corporation is such that the amount necessary to have made the purchase, could have been not well spared. It will be recollected that at the fire at the Government Wood Yard, last Spring, our firemen and citizens, generally, aided in subduing the flames, whereby a large amount of wood was saved .-This consideration had its weight with the officials in Washington in making the gift.

CITY COUNCIL. - A regular stated meeting of the City Council was held last night, at which, however, no business of special importance was transacted. The assessment on several pieces of property was reduced, and petitions from sundry persons, asking for a reduction of taxes, received and appropriately referred. A communication from Capt. Walsh, of the Night Watch, asking that the Friendship and Hydraulion Engine Houses may be used as rosts for the watch, in the absence of any watch boxes, was referred. A resolution authorizing the Superintendent of Police to make certain repairs at the wharf of the American Coal Company was also referred.

"REWARD" OF KINDNESS. -Two young women (white) applied to the citizens of Fairfax Court House, about two weeks ago for work, and were kindly token in by Mrs. Judge Thomas, and Miss Nancy Allison, respectively. On last Saturday night they repaid their benefactresses by taking them in-decamping with sundry articles of their clothing. Constable Jno. H. Thomas, with commendable professional zeal, pursued and overtook them and brought them back to the Court House, where they were committed to jail. They managed to destroy most of the clothing, when caught, tearing up dresses with malignant spite.

JUDGE THOMAS. - The Circuit Court for this county has had a long and laborious sessionmuch business being before it for adjudication. The ability, promptness, impartiality, and courtesy of Judge Thomas, are deserving of honorable mention. As a general rule, the people of Virginia have always been blessedfor it is a blessing-with a judiciary on which they could rely, and the old rule holds good in the present case.

Personal.-Hon. Willoughby Newton is in this city on a visit, looking in excellent health, and in fine spirits.

Judge J. W. Moore, of Kentucky, and for many years Judge of the Louisville Circuit, and a member of the Confederate Congress, has opened a law office in this city, with I. Fisher, esq. We would call attention to the card of the new firm in to-day's Gazette. ----

THE MARKET, this morning, considering that there is to be none to-morrow, was not so abundantly supplied with country produce as it was expected it would be. There was but little poultry. Eggs are selling at 35 cents per dozen. Vegetables are, comparatively, cheap. There continues to be a tendency to a decline in beef. Fresh pork is coming in freely.

POLITICAL. - The "Radical Republicans" of this place, are to meet in "caucus," to-night, "for the transaction of important business."-Call for the "caucus" signed by "Wm. N. Berkley, Geo. Tucker, S. N. Garwood, for the County Committee." Mr. Riddle, Radical Republican, is to speak at Liberty Hall on Fri-

FIREMEN'S EQUIPMENTS.-The Hydraulion Steam Fire Company have adopted the New York style of equipments and a number of the members have already procured sets of them. The hat is black with the date of the organization of the Company (1827) in red and gold on the back. The front is very tasteful, composed of white patent leather with the name and number of the Company on a red ground, the whole surmounted by a gilt eagle's head. The belt is black, bound with white patent leather, with the name in white letters on a red ground and the number of the Company (3) on a slide to be worn in front. If the other Companies comprising our fire department will procure similar equipments, it will add much to their appearance at parades &c., and thereby place them on an equality in appearance as they are now in efficiency, with the Firemen of other cities'

ment of fine and costs. Willis Washington, negro, arrested about 2 o'clock this morning, by the watch, having in his possession a bag, containing a number of cabbage, supposed to have been stolen, but which he says were given him, was permitted leave to produce the party who made the dona-
